## Hablar

Yo puedo... (*I can...*)

- hablar solamente en español (*speak solely in Spanish*)
- decir la hora en español (*tell time in Spanish*)
- usar mis apuntes y recursos para ayudarme (*use my notes and resources to help me*)
- crear un “juego de mesa” para jugar con un compañero (*create a board game to play with a partner*)

Instrucciones para la actividad:

- Choose a buddy from your group to work with for today's games (if there is an uneven amount of students, create one group of 3)
- Take out all of your notes on how to tell time in Spanish, and use the resources in your “tool box” to help you successfully play the two games
- Use a coin to play the game “Race Against Time”
  - You must correctly say the time in Spanish for the clock that you land on in order to stay there. If you say the time incorrectly, move back to your previous space
- Once you have completed the first game, work with your partner to create your own “juego de mesa” with digital times, and then play!
- If you finish early, create a second board game to play with a different partner in your group for more practice with time ☺

TRY YOUR BEST TO SPEAK “SÓLO EN ESPAÑOL.” IF MS. DURSO HEARS YOU SPEAKING EXCESSIVE ENGLISH, YOU WILL LOSE EUROS FOR THE DAY!
