

Evaluating authentic resources

I = Interest (is a topic that students will want to talk about and discuss) 

PC = Personal Connections (connects with students' lives and their world, is relatable to students) 

CC = Cultural Connections (connects with cultural products, practices, and perspectives, represents diverse voices and cultures) 

C = Context (is relevant and real world, provides multiple contexts for interpersonal interactions) 

V = Vocabulary (contains known and new vocabulary and language chunks) 

GP = Guided Practice (offers opportunities for skill building, modeling and analyzing examples) 

GC = Grammar in Context (contains multiple examples of language structures old and new in context) 

PP = Product Possibilities (leads to a variety of presentational performances and products)
